1. Fill out the matrix, which has been send in the email with your User Details.
2. Upload the matrix by clicking on the link "Select a file". **1**

IMPORTANT :

You can upload more than one matrix. For example: the first one can contain 10 guests and the second one can contain 5 guests.

CAREFUL, to avoid duplication :

Please use a blank matrix for each time you upload new guests. Do not add the new guest to a previous matrix as previous uploads will be duplicated.

Once the matrix is correctly loaded, all the fields will be completed automatically following the example below:
