5 COMBINED TOOLS TO REACH YOUR GOALS

partneringONE Face-to-Face Meetings

Partnering at NLSDDAYS is powered by the leading web-based partnering system.

With partneringONE you can:

- search for partners, customers or clients
- request meetings with selected companies
- accept or decline meeting requests from others
- get your personal meetings schedule prior to the conference

Company and Technology Presentations

These sessions provide a forum for innovative companies (pharma, biotech, medtech, services) and academic research to present topical information on their projects, technologies, partnering opportunities and strategy.

Selected candidates will have the opportunity to showcase their know-how and projects and get an immediate feedback during a 6mn or 12mn presentation.

Company presentations will be arranged in 30mn thematic and moderated rounds allowing interaction with the audience.

Super Sessions

Learn about the latest trends and success stories in therapeutic areas-focused sessions on R&D, Business Development and Investment and connect to key executives speaking at NLSDDays.

The program features high executive level keynote speakers and panelists who openly share their insights and opinions on many important Life Science issues.

Exhibition: the Life Science Value Chain

A vivid exhibition zone in the heart of the networking area, including regional and country pavilions (clusters and bioregions) featuring many companies from their regions, companies, technologies and services.

Networking

A central networking area will offer you an informal meeting space to catch up with attendees, speakers, sponsors, exhibitors and partners throughout coffee breaks, lunches and cocktails.

The Official Networking Reception followed by a downtown special evening will also provide precious opportunity to meet delegates in a friendly and relaxed atmosphere.
