

SFV “MICHEL CANTAREL” STUDENT GRANT

To encourage young researchers' works, French Vacuum Society (SFV) will reward 5 PhD students attending ITFPC 17 in Nancy.

**The 'Michel CANTAREL' Grants consists on Certificates (Diploma)
& Cash prizes of € 300 for each student.**

Eligibility

To be eligible for the “Michel Cantarel” Student Grant, the Applicant must:

- be registered as a graduate student
- present an oral or poster contribution (see Application section)
- pay the registration fees
- be present during the Closing ceremony

Application

To compete to the “Michel Cantarel” Student Grants, PhD students have to check "yes" in the Abstract submission form (section: SFV “Michel Cantarel” Student grant) and must **send by email to [the Conference Secretary](#) before 28th May:**

- **One short-CV** (3 pages maximum) including:
 - Date of birth
 - Date of thesis beginning and tentative date of PhD discussion
 - Name of the PhD supervisor(s)
 - School, University curriculum
 - Career path (if needed)
 - Abstract of the PhD work
 - List of publications and communications (oral, poster)
- **Support letter from the PhD supervisor(s)**
- **Copy of the 2017 student card**

Procedure

The documents listed above must be **received by May 28th** by email to **the Conference Secretary**. The support letter must be sent by email by the supervisor.

The SFV “Michel Cantarel” Student Grant' Committee will proceed in 3 steps:

- **On 13th June, a first selection: 8 finalists** will be chosen based on the scientific and the originality of the work.
- The Final selection will proceed during the conference: **The Committee will attend the selected presentations** (during oral and poster sessions) in order to decide for the best works.
- **The Granted PhD students will be rewarded during the Closing ceremony** at the end of the conference.
